Our boutique luxury home delivering individual care for our residents

Christmas at Rosebank

Christmas has been such a magical time here at Rosebank!

We've been lucky enough to be invited to watch the nativity at Aston & Cote Primary School and also to Cokethorpe School for their performance of The Lion, The Witch & The Wardrobe...they were amazing and the children did so well!

We've done lots of Christmas themed activities and had the talented Cody in to sing for us all on Christmas Eve, there was even some dancing!

Christmas Day was started with a visit from Father Christmas with our gifts, followed by a delicious 3-course lunch.

New Years Eve Celebrations

New Year's Eve we celebrated with an "Old & New" themed party! The dining room was split into an old side and a new side. Everyone enjoyed musical bingo, Bucks Fizz and plenty of singing & dancing. Our buffet was a mix of old & new party foods, drinks and of course, old & new desserts.

We gathered to watch Big Ben's fireworks countdown, sang Auld Lang Syne and cheered together as we welcomed in the New Year.

Billy's Magic Moment....

Billy enjoyed a truly special day after being invited to the RAF Brize Norton Veterans' Lunch. As former RAF search and rescue serviceman, Billy was warmly welcomed and treated to an insightful talk, a visit to the on-base museum and a festive three-course lunch shared with RAF personnel. The experience sparked proud memories, laughter and meaningful conversations, ending with a thoughtful gift and plenty of photographs to share with his family.
