Our boutique luxury home delivering individual care for our residents

Grand Opening of our Wishing Tree

Three talented art students - Amy, Beth, and Pippa - from Cokethorpe School joined us to celebrate the grand opening of our Wishing Tree Mural. Our Operations Director, Fiona, had the honour of cutting the ribbon.

This stunning mural was created by the students, inspired by a tree in the Cokethorpe grounds, with guidance from Ms Williams, Head of Art. The tree represents hope, memories, and connection, with each leaf carrying a wish from one of our residents - wishes we are committed to doing our very best to make come true.

Ladies Day at the Races

We had a fantastic time celebrating Ladies' Day at the Cheltenham Races! Everyone enjoyed choosing beautiful fascinators, having their nails painted, and sipping on delicious mocktails. It was a lovely afternoon filled with smiles, laughter, and just the right touch of glamour.

March Round Up

For Mother's Day, residents enjoyed taking part in flower arranging, and we hosted a lovely photo shoot for visiting families to capture some truly special moments. We also celebrated St Patrick's Day with a themed lunch, complete with a homemade Guinness cake.

We were delighted to welcome our regular visitors from Aston & Cote and Cokethorpe School, where residents joined in with Easter and World Book Day themed activities. Everyone was also thoroughly entertained by Cody and Donna, who had the room filled with singing and dancing.

With the arrival of brighter weather, residents have been making the most of the garden - enjoying cups of tea and coffee with biscuits while watching the wildlife and admiring the beautiful flowers.
