National Cocktail Day Celebration

We gathered for a fun-filled Mocktail Party to celebrate National Cocktail Day!

We transformed the garden lounge into a tropical paradise, complete with pineapple glasses and vibrant Hawaiian garlands. Everyone posed for pictures, sipped on delicious mocktails, and enjoyed some great tunes as we celebrated the day in style.

St. Patrick's Day

We went all out for St. Patrick's Day! From putting up decorations and wearing our green to having family over, it was a day full of fun and tradition.

We even got creative with colouring clovers and leprechaun hats. The highlight? A delicious themed lunch featuring Irish stew and mash, followed by Baileys cheesecake for dessert. And of course, the tea trolley was stacked with Guinness cake and Irish coffees to round out the celebration!

This month we have celebrated wedding anniversaries for two amazing couples - Brian & Sally and Bill & Ann.

We have also enjoyed getting into the spirit of the Cheltenham Races.

We watched the races with mocktails and even had our own Rosebank Ladies Day!
