High Street, Bampton, Oxfordshire OX18 2JR

Our boutique luxury home delivering individual care for our residents

A Wonderful Day at Our Garden Party Open Day

On Saturday 18th July, we were delighted to host our Garden Party Open Day, welcoming residents, staff, families, and members of the local community for a wonderful afternoon together. We were especially honoured to welcome the Mayor of Witney, who spent time chatting with residents, staff, and guests. Everyone enjoyed a delicious barbecue, treats from the ice cream van, beautiful flowers from our florist, a fun activity table for the children, and lively entertainment from the Morris dancers. It was a fantastic day filled with sunshine, laughter, and community spirit, and we would like to thank everyone who attended and helped make the event such a memorable success.

Dementia Café

We were delighted to host our first Dementia Café on its new date. The café will now take place on the **third Friday of every month**, from **10:30am to 11:30am**, at the **Market Tavern**. It provides a welcoming space for people living with dementia, their families, carers, and members of the local community to come together, enjoy entertainment, access support and information, and relax over tea, coffee, and pastries. We look forward to welcoming both familiar and new faces each month.

Monthly Round Up

During the past month, we have enjoyed a variety of activities and outings, including a visit to our sister home, Churchfields, where students came to entertain the residents. We also attended Cokethorpe and Bampton Primary School to watch the students perform in their school plays. The children at Bampton Primary School kindly gifted our residents beautiful clay forget-me-not dishes, which were greatly appreciated. We continued to enjoy our monthly singalong with Cody and our monthly art class with Emma. In addition, we attended the final Bush Club session of the summer, where we handed out sweet cones made by the residents as a thank-you gesture.
