

Rosebank Care Home Monthly Newsletter

High Street, Bampton, Oxfordshire OX18 2JR

Our boutique luxury home delivering individual care for our residents

Lest We Forget

Not only did all staff & residents come together for our 2 minutes silence, this year we took time to send handwritten cards to veterans to thank them for their service to our country.

We also had the privilege of making hand print wreaths with the school children and going along with them on Remembrance Day to the war memorial, where one of our wreaths was displayed in the local community shop in Aston.

Remember Remember, the 5th of November

On a cold dark evening our residents and their wonderful families gathered to celebrate Bonfire Night together.

There were sparklers in the garden, firework cupcakes and hot drinks to warm us up....much fun was had by all!

Christmas Jumper Celebration...Sat 6th Dec

Don't forget to come along to our Christmas Jumper Celebration on Sat 6th December, here at Rosebank between 3-5pm.

We are looking forward to having an afternoon of Christmas Carols, Festive Nibbles & Drinks, Raffle and Guess the Name of the Teddy Competition.

We are also going to be transforming our Remeberance Room into a Christmassy family photo room, so don't forget to come dress in your best Christmas jumper!
