

# Rosebank Care Home Monthly Newsletter

High Street, Bampton, Oxfordshire OX18 2JR

Our boutique luxury home delivering individual care for our residents

## Millets Farm

Our wonderful Vic and Eileen enjoyed a nostalgic visit to Millets Farm. On the drive there, Vic chatted happily about how well he remembered the route and was amazed by how much the area had changed over the years, sharing fond memories of visiting Millets Farm together in the past. While there, they loved saying hello to the goats, horses and chickens before heading to the café for lunch, where Vic was especially impressed by the very generous size of the pizza! After lunch, they enjoyed a leisurely wander around the garden centre, admiring the wide variety of plants and unique items, and shared a good laugh after spotting a Christmas section still on display.

# January at Rosebank

Throughout January, we have kept busy and engaged with a wide range of activities, including table tennis, arts and crafts, board games, armchair exercises, book club, parachute games and reminiscence sessions, as well as relaxing pamper sessions, Lola time and one-to-one activities. We also enjoyed getting out and about with walks around the village, visits to the coffee shop and library, and helping around the home. We rounded off the month by celebrating Burns Night together, enjoying a themed lunch and a variety of fun activities.

## Honeysuckle Hair Studio comes to Rosebank

This month we welcomed the extremely talented Esther from Honeysuckle Hair Studio to Rosebank. Everyone was absolutely delighted to meet our new hairdresser and we look forward to getting to know her. Esther worked her hairdressing magic on some of us already and we are feeling very glamorous with our fresh new haircuts... A few of us even enjoyed a little Bucks Fizz while having our hair done!
