Beautiful Blessing for Vic & Eileen

We gathered at St. Mary's Church to celebrate a truly remarkable milestone. Vic and Eileen, pillars of our community, marked 65 years of love, devotion, and partnership. To honour this incredible journey, the couple received a special blessing from Reverend Janice during a heartfelt ceremony at St. Mary's.

Surrounded by family, friends, and fellow parishioners, Vic and Eileen's enduring commitment was an inspiration to all. Their love story, spanning more than six decades, is a testament to faith, perseverance, and the power of togetherness.

New Year's Eve Celebrations!

What a fantastic night at our New Year's Eve party! We sang our hearts out during karaoke, shared laughs, and enjoyed delicious food and drinks. Memories were made, and smiles were everywhere!

Our beloved therapy parrot, Lola, went for her annual checkup at the vet and as always she stole the hearts of everyone she met...just as she does with all of us here at Rosebank! And thanks to her new carry case, Lola can now travel around the home (even into bedrooms) to visit everyone!
