

Rosebank Care Home Monthly Newsletter

High Street, Bampton, Oxfordshire OX18 2JR

Our boutique luxury home delivering individual care for our residents

VE Day - 80th Anniversary

This month we proudly celebrated VE Day! Our staff & residents dressed the part in vibrant red, white, and blue – with vintage headbands, army hats, classic pinafores, and even an old-fashioned nurse's outfits!

Our celebrations included a themed lunch with classic British comfort food, arts & crafts making our own WWII identity cards, Cody singing some wartime classics and an afternoon spent at Aston Village Hall for their VE Day Celebrations with some vintage cars & old fashioned fair ground stalls.

Annual Shirt Race

On the Spring bank holiday we again celebrated the annual Shirt Race that takes place in our beautiful village. Rosebank obviously wanted to get involved again this year, so we got our Cadillac out of the garage, rounded up some glamorous 1940s ladies and headed off to run the race in style!

The race begins on the road outside of Rosebank, so our wonderful residents were able to have a look at all the carts taking part in the race and watch them all running off down the road at speed!

Our Kitchen & Lifestyle Teams put together a wonderful BBQ outside in the garden, which everyone really enjoyed.

Aston & Cote Primary School invited us along to watch their annual Maypole performance, which was very kind of them and we loved watching all of the children doing their routines - they were amazing!

On Whitsunday we had one of the famous Bampton troupes come along and perform some dances in our garden for us.
