Our boutique luxury home delivering individual care for our residents

Love is in the Air

This year we celebrated Valentine's Day with a special afternoon of music, treats and companionship. Residents enjoyed a lovely live performance by Shannon from Mini Concerts, who presented Chansons d'amour – songs of love that created a warm and relaxing atmosphere for everyone. Each resident received a rose balloon and a bag of Love Hearts sweets, which brought many smiles. Following the concert, we invited our resident couples to join us for a delicious afternoon tea kindly prepared by our wonderful chef.

February at Rosebank

We were delighted to welcome the school children back for their first visit of the year, enjoying Valentine's Day-themed activities such as making bunting, dot-to-dot, colouring, decorating biscuits and finishing with a cheerful sing-along. We also had great fun celebrating Shrove Tuesday by preparing pancake batter, choosing favourite toppings and even trying our hand at flipping pancakes. Chinese New Year was marked with themed colouring, playing pick-up sticks, discovering fortunes from cookies and practising chopstick skills using marshmallows.

Welcome to Louise

This month we welcomed our new manager, Louise Keys, to Rosebank. Over the last few weeks Louise has been getting to know all the residents and staff, as well as meeting some relatives in person & virtually during the recent Meet the Manager evening.

Louise joins us with so much experience being a registered nurse and home manager with over 15 years' experience in the care sector, so we know we are in safe hands with Louise at Rosebank!
