

Rosebank Care Home Monthly Newsletter

High Street, Bampton, Oxfordshire OX18 2JR

Our boutique luxury home delivering individual care for our residents

Easter at Rosebank

What a jam packed few days we've had here at Rosebank!

There was something for everyone to get involved in and we love including family members & our local community in our celebrations. We had Easter egg hunt for (great) grandchildren in our garden, Easter bonnet competition, visit from the Easter bunny for all residents & staff, cake sale and another Easter egg hunt but this time around the village for the children of Bampton.

Liz's Magic Moment

This month, Liz had a Magic Moment!

She spent a heart-warming morning visiting her twin sister, who sadly is now unable to make the journey to visit Liz at Rosebank. They were also joined by Liz's niece and her daughter, Sue. It was a day filled with laughter, love, and family memories that will be cherished forever.

This month we have spent as much time as we could in the garden while the sun was out, we had the ice lolly trolley out, al fresco dining at lunchtime, outdoor drawing and garden games.

We celebrated National Wear Your Pyjamas to Work Day! What a laugh it was for both staff and residents, everyone loved seeing us in our PJs!
