

Rosebank Care Home Monthly Newsletter

High Street, Bampton, Oxfordshire OX18 2JR

Our boutique luxury home delivering individual care for our residents

Every Sip Matters

During August, we hosted a Mocktail Bar Experience to promote hydration in a fun and engaging way. Residents visited the bar to choose from a selection of refreshing alcohol-free drinks while enjoying music and socialising with friends.

The event encouraged residents to increase their fluid intake while creating a relaxed and enjoyable atmosphere. It was wonderful to see everyone having fun while supporting their health and wellbeing through good hydration habits.

Sunshine, Smiles and Garden Time

Residents enjoyed spending time in the garden, taking part in arts and crafts, and attending Gardening Club, where we grew our own cress.

We also had fun scooping our own ice cream into cones or ramekins, tried magnet fishing, and enjoyed a lively game of bingo. We have also enjoyed watching our figs ripen.

Monthly Round Up

We have enjoyed another lovely month filled with a variety of activities. Residents welcomed Reverend Janice for our monthly Holy Communion service, which is always a special and meaningful time.

We also made the most of the lovely weather with a wonderful garden sing-along with Cody, as well as plenty of group sing-alongs bringing music, smiles and laughter to the home.

Our Cooking Club has been busy too, with residents getting involved in preparing tasty treats and enjoying some fun food-tasting sessions together.
