High Street, Bampton, Oxfordshire OX18 2JR

Our boutique luxury home delivering individual care for our residents

Rosebury Summer Fete

We hosted our annual summer fete, "Rosebury"- a creative blend of Rosebank and Glastonbury with a nostalgic 1950's twist. Residents, families & friends enjoyed a wide range of activities, from a cake sale, BBQ, drinks stall, traditional fete attractions such as hook-a-duck, a lucky dip, and a raffle with impressive prizes added to the lively atmosphere.

We welcomed Kerry from Dementia UK, who provided information and advice to those seeking support and musical entertainment was delivered by the very talented Cody.

Keeping ourselves busy

We've had a busy month here at Rosebank! With the hot temperatures outside, we have been keeping ourselves entertained indoors where it is cooler. We have been doing balloon tennis, movie afternoons, music therapy and some clay art. We've also helped out around the home with some vegetable peeling, brass polishing and one of our favourite chore....matching up all the odd socks!

Visit from our feathered friends

This month we welcomed back Al, Mary and their beautiful owls to Rosebank. It is always such a pleasure to see them, Al & Mary are so passionate and we always learn such amazing facts about these gorgeous birds.

This time they brought along some old friends that we have seen a few times over the years and one of their new young owls, Rosebank was the first time he has been into a care home so we were very privileged!
